Fr. Steve's Thoughts

September 3, 2020

Hello St. Christopher's and Parish Friends,

As our Re-Gathering continues and our Live Attendance grows, people we haven't heard from for a long time are reaching out to our Christian Family. Hallelujah!

Let's all agree to be available when old and new friends reach out to us! Let's also agree – beginning right now – to reach out to folks we haven't seen for a while! Each of us has someone in mind. Pick up the phone and make a call!

Our Virtual services improve each Sunday, and we are organizing our new Tech to make those services even better. It's easy to find us on Facebook!

Our parish hall, bathrooms, and narthex are being repainted and freshened! All is well here at St. Chris's!

All are Welcome! Come Home, to St. Chris's!

Every blessing,

-Fr. Steve

NATIONAL COFFEE ICE CREAM DAY

On September 6th National Coffee Ice Cream Day, those who love coffee and ice cream, can freely indulge in a caffeinated dessert delight! Even those who don’t wake up to the smell of freshly brewed coffee, will find they enjoy Coffee Ice Cream! It’s irresistible.

Coffee ice cream has been around for more than 1200 years! In 1869, coffee ice cream was used in a parfait. A recipe Egg Coffee -- cream, crushed ice and coffee syrup -- appeared in a 1919 cookbook! Yum!

Vanilla ice cream not your thing? Many folks know that coffee ice cream and chocolate always go well together. Serve a scoop over a dark chocolate cake and ... the celebration is complete!
