Fr. Steve's Thoughts

November 5, 2020

Dear St. Christopher's Parish and Friends,

Last Sunday we wrestled with The Beatitudes. You know: Love those who are humble and weak. In the past few months, humility has been a rare quantity, but now that we are about ready to move on, we'll find our Christian hearts. After all, our God reigns and everything that is broken will be, in His time, restored.

St. Matthew wanted us to know that Jesus called his people - - *all of us* - - to take a critical look at our world, and how we live.

Are we called to be more than we are? Am I? Of course.

Are we called to be more patient, more generous, and more loving? Am I? Of course.

The exhausting political season is behind us. No matter who sleeps in *our* White House, we are called to move forward, to love and to heal all those whom God puts in our path. Let's start that work today!

Blessings, and Love,

- Fr. Steve

Wednesday, November 11th is Veterans Day

Veterans Day was originally known as Armistice Day. It is a federal holiday in the United States and is observed annually on November 11, for honoring military veterans, that is, persons who have served in the United States Armed Forces. It coincides with other holidays including Armistice Day and Remembrance Day which are celebrated in other countries that mark the anniversary of the end of World War I. Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect. At the urging of major U.S. veteran organizations, Armistice Day was renamed Veterans Day in 1954.
